

2nd Annual

Painted Hearts

Silent ART Auction

The 2nd Annual “Painted Hearts” Silent Art Auction will be held during the MAGC Conference, September 29 – October 1, 2010, at the Imperial Palace Resort in Biloxi, MS. The auction will feature original works by many of Mississippi’s finest artists and will also include the exciting artistic contributions of students in our state.

We ask you to, please, assist us in acquiring art from any students or artists in your area who would consider donating a piece of their work...canvas art, drawings, photography, pottery, jewelry, etc. Notify us immediately if we can expect a contribution from you.

MAGC conference attendees will have the opportunity to place silent bids to purchase the pieces while contributing to a cause that is dear to our hearts. We are happy to announce that all proceeds of the Painted Hearts Silent Art Auction will benefit the Conrad Castle Memorial Scholarship Fund.

MAGC thanks you in advance for your support of this exciting endeavor as we honor the life and legacy of our dear friend. We look forward to seeing you as, together, we are Lighting the Way for Gifted Education in Mississippi!
